About our College

Dr. B. R. Ambedkar Institute of Education, located in the peaceful surroundings of Balarampur, is recognized by the NCTE and affiliated with BSAEU. Established with the vision of promoting quality teacher education, the College offers a self-financed B.Ed. programme to prepare skilled, responsible, and value-based educators.

The institution is committed to equipping future teachers with the knowledge, skills, and professional ethics needed to meet the challenges of modern education and contribute meaningfully to society by shaping the lives of future generations.

Objectives of the Seminar

The National Education Policy (NEP) 2020 mandates a paradigm shift in teacher education, transitioning from isolated training models to a multidisciplinary and holistic approach. The primary objective of this seminar is to critically examine these curriculum reforms and identify practical challenges in their ground-level implementation. Specifically, the seminar aims to decode the fundamental objectives of NEP-2020 to equip future educators with a multidisciplinary perspective. It will explore the effective incorporation of digital tools, Artificial Intelligence (AI), and pedagogical innovations into the curriculum. Furthermore, the seminar will evaluate the inclusion of contemporary themes like environmental sustainability and mother-tongue-based education. Finally, it seeks to address systemic, structural, and infrastructural hurdles in redesigning evaluation mechanisms, ultimately proposing actionable recommendations for a smooth and sustainable transformation of the teacher education curriculum.
